DESCRIPTION Proceed about 1.5 miles south along the Mammoth Hot Springs-Norris Junction highway from the post office at Mammoth Hot Springs to a road junction and a sign “YCC Facility Fleet Maintenance.” Go east on the signed side road for about 35 meters. On the north side of the road is a small sign “Trail” and a footpath. Bench mark is in a boulder about 15 meters northeast of the “Trail” sign, near the southwest base of a large tree. Boulder is light gray, projects ~0.5 meters, and is about 1.5 x 0.75 meters in size. The mark is less than 1 meter below the level of the service road and is a brass disk stamped “D 157 1960”.

Looking east at bench mark (under orange hard hat) and trail, with sign.

Looking north from behind bench mark (under orange hard hat) at service and main roads.

Looking south at bench mark (under orange hard hat) and signed trail.

Close up of bench mark.
